NICK'S BOOTS

A Spokane, Washington bootmaker since 1964, Nick's uses premium, full-grain leather and Old World construction techniques to create boots that can be worn hard for decades. Fixable and fully rebuildable, Nick's aren't replaced, they're restored.

TRAVELER WORK BOOT

The 8" Traveler is made with American leather that's a bit lighter than the Robert and requires slightly less break-in. It's built with a cushioned Christy Vibram sole and a traditional arch and heel for those looking for a reliable, rebuildable work boot in a familiar fit.

Made in USA.

MATERIAL – Full grain Seidel® leather + Vibram Christy™ sole

COLOR – Tobacco

NO. 20029384 – Half sizes 9-13 \$437.00

ROBERT BOOT

Outfitted with Nick's signature high arch and heel, the 6" Robert is made for those who spend long days on their feet. Made with thick American leather, a pair will take up to 40 hours to break in, but a lifetime to wear out.

Made in USA.

FILSON MANUFACTURING

In addition to our original Seattle facility, we operate two American factories where we cut and sew our outdoor goods using the best materials from around the globe. We've made our iconic gear in the Pacific Northwest for over a century, stubbornly building gear that lasts a lifetime. We stand by this claim— if your Filson item fails or is damaged, we'll repair or replace it without question.
